**STATEMENT FROM DUBAI TOURISM**

As a destination, the city adopts the highest international health and safety standards enabling the city to ensure the wellbeing of all visitors remains the highest priority. Everyone must observe social distancing guidelines and abide by the instructions and preventive measures outlined by concerned authorities, for example, wearing masks and washing hands regularly.

Family entertainment, attractions, observation decks, public transport, parks, beaches as well as shopping malls and restaurants & cafes are open and fully operating. All activities follow strict and frequent hygiene and sanitization measures as per international health and safety standards, as well as implemented temperature checks to ensure the safety of guests.

Please see Dubai Municipality [www.dm.gov.ae](http://www.dm.gov.ae) for further information on specific attractions or refer to the official websites of events/attractions as well as their social media channels for up-to-date information.

## ENTRY REQUIREMENTS

### HEALTH COVERAGE

Travelers must have medical travel insurance covering COVID-19 before traveling to the UAE

### PCR TEST

Travelers must present a valid PCR test (taken within 96 hours). If you do not have one, a test will be administered at the airport.\*

### SIGNED DECLARATION

Travelers must sign a declaration agreeing to bear all costs associated with quarantine and treatment.

### MOBILE APP

Travelers must register their details using the COVID-19 DXB app.

### BEAR RESPONSIBILITY

Travelers are liable for their actions and decision to travel, and for checking and knowing the COVID-19 situation.

### VISA REQUIREMENTS

Travelers must meet visa requirements to enter the UAE.

### **ARRIVAL PROCEDURES**

The following procedures are in place when landing at any airport within Dubai.

#### **PCR TESTS**

In the event a tourist is not carrying a valid PCR test result, a test is carried out at the relevant Dubai airport.\* The travel will bear the cost of the test.

#### **REPEAT TESTS**

The PCR test may be repeated for tourists who have tested negative prior to departure but display COVID-19 symptoms upon arrival.\*

#### **TEMPERATURE CHECK**

All passengers have their temperature taken with thermal screening devices on arrival.

#### **BE RESPONSIBLE**

Tourists bear full responsibility for their actions and compliance with physical distancing, wearing of masks and self-monitoring in respect of any symptoms they experience.

## WHAT HAPPENS IF...

### **A TRAVELER TESTS POSITIVE AT THE AIRPORT?**

A 14-day quarantine is imposed for all positive COVID-19 cases. Strict compliance with the procedures set out for positive cases by the Dubai COVID-19 Command and Control Centre, which include institutional quarantine (dedicated hotels), home quarantine, or hospitalization depending on the health condition, and isolation requirements information.

### **A TRAVELER IS QUARANTINED**

As per Dubai Command and Control Centre regulation, all positive COVID-19 cases will be quarantined for 14 days, with tourists bearing the costs of treatment and isolation. The quarantine options include institutional quarantine (dedicated hotels), home quarantine, or hospitalization depending on the health condition, and isolation requirements.
